

Thanksgiving Message

I wanted to take a few moments this Thanksgiving to express my gratitude for the opportunity to be a member of this fine club. In the past 18 years that I have participated in this hobby, I learned so much about most aspects of model aviation. I enjoy spending much of my idle time contemplating my aircraft.

More important than my personal aircraft is the relationships that we all develop with other club members. I am thankful for the level of cooperation and volunteerism that exist within this club. Although time consuming, serving as president has been a far easier experience than I expected because of you, the membership believes in teamwork and pulling together to do the necessary task at hand.

I would like to offer a special thanks to our grass cutting crew. They commit many hours to making sure that the runway is in good condition for aircraft of all sizes. Please consider volunteering to help with this most important duty. The more that volunteer, the easier it is for all.

Thank you to all my fellow officers and Executive Committee members, you all contribute much to steering the direction of the club.

Thank you to all veterans, if it were not for your service, America would not have the freedom and prosperity to be concerned with hobbies.

I personally want to thank God for blessing this great nation.

Reminder; there will not be a monthly meeting in December or February.

Dues must be paid (\$50) no later than January 1st to avoid the late fee (\$10). If dues are not paid by January 31st, you must reapply as a new member (\$20 initiation fee). AMA must be paid through December 31st, 2020 before your dues payment will be considered valid.

The Christmas party is Saturday, December 7th at Salvatore's in Whitehall. A Hot Buffet Luncheon will be held from 12:30 pm until 3:30 pm.

Join us for our annual New Year's Day Funfly. Let's see who will be the first to fly in 2020. Please bring a covered dish to share.

Happy Thanksgiving to you and your families,

Mike Eiben
