

President's Corner May 2021

MVRC members,

There is a meeting scheduled for this Friday, June 4th at 7pm at the field.

There are 2 seats on the Executive Committee that need to be filled. One seat is for the remainder of this year and the other seat last through 2023. At the meeting I will ask for nominees to fill these positions. If there are more than 2 nominees, we will have an election to decide who fills the seats. I ask that the nominees are committed to attending as many meetings possible.

I am pleased to report that the field has been rolled.

We are looking into having the contractor who built the new shelter build picnic benches and possibly install lightning rods at the facilities shelters. March for Parks funds are planned to be used for these projects.

After the meeting we are planning to have a night fly and we are hoping to be able to camp overnight at the field. However the permits have not yet been obtained. I will let you all know when and if the permits are obtained.

I hope to see you all then,

Mike Eiben
