

Presidents Corner 9-2019

Mon Valley RC's Giant Scale Fly-in is upon us this coming weekend, September 6th, 7th, and 8th. We encourage all RC pilots with qualifying IMAA size aircraft to participate and contribute in showcasing our facility and our club to the community.

We are in need of as many volunteers as possible to help with parking cars, serving food, selling 50/50 tickets, and assisting in organizing the weekend's events. Please consider sharing the workload so everyone can enjoy the event.

On Friday, September 6th, we will be having our regular monthly meeting. The meeting will mostly be concerning the Giant Scale Fly-in. Other items that will be discussed are, Emeritus Membership Status for 3 members (Bob Walter, Walt Severyn, and Edgar Dawson), club paying for the grass cutting volunteers Christmas party meals, and buying lunch for the county maintenance crew in appreciation for the help they have given us this past year.

The meeting will be held at the field at 7pm. In the event of inclement weather we will go to the municipal building and the meeting will begin at 7:30pm.

Again I want to remind everyone that safety is all our responsibility. This requires the courage to speak up, and mutual respect for one another to accept honest criticism.

I hope to see everyone this weekend,

Mike Eiben
